Preface

The 2017 Replacement Tables Volume C of the Arkansas Code of 1987 Annotated contains the acts disposition table which shows where legislative acts have been codified in the Code, or accounts for their absence from the Code. The former table of code section number changes, which showed the current disposition of Arkansas Code of 1987 Annotated sections which have been transferred from one location to another, along with the disposition of earlier statutes which had the same A.C.A. section designation later used for another statute, has been incorporated into the acts disposition table for greater ease of use.

User's Guide

Many of the Arkansas Code's research aids, as well as its organization and other features, are described in the User's Guide, which appears near the beginning of the bound Volume 1A of the Code.

ACTS DISPOSITION TABLE

This table shows the disposition of acts passed in the sessions of the General Assembly from 1836 through the 2017 First Extraordinary Session. Acts for sessions in 1836-1857 and 1874-75 are identified by session, page number, and section. Acts for all other sessions are identified by session, act number, and section. Tables for the sessions from 2003 Regular Session through 2017 First Extraordinary Session appear in this volume, tables from the session from 1836 through 1967 appear in Tables Volume A, and tables from the session from 1968 through 2002 First Extraordinary Session appear in Tables Volume B. Current disposition is noted under the column headed "A.C.A."
